

# National Public Lands Day

**Troop 35 from Guaynabo:** A group of 20 scouts and adults while working in the improvements of the old restaurant area into our new Pavilion campsite.

**Troop 1959 from Guaynabo:** A group of 14 scouts and 6 adults joined with 5 members of **Venture Crew 919** to improve the campsite area at Molindero road entrance.

**Troop 572 From Carolina:** A group of 17 Scouts joined with 6 scouts and 2 adults from **Troop 709** to improve the campground at Los Pilotes.

**From San Lorenzo:** 59 members of **Den 754**, fathers and son collected trash along La Mina Trail from Palo Colorado to La Mina Falls, and 30 members of **Troop 754** walked up EL Yunque trail to peak area and returned by Mt. Britton Trail also collecting trash.

**Troop 723 From Bayamón:** 37 scouts and adults hiked along road 988 collecting trash from El Portal Rain Forest Center into Angelito's trail. After camping overnight they also collected more trash in the vicinity of Charcas las Damas.

**In summary, 196 Scouts** from 7 units of Cubing, Scouting and Venturing groups joined in the efforts of this year's National Public Lands Days to improve 3 of our Forest camping areas! Thanks to all for your valuable time and great efforts! We complete our tasks free of any accidents!!!
